This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Michael Brockington
980 Seagull Drive
Mount Pleasant, South Carolina 29464

LOCATION: On and adjacent to Shem Creek at 980 Seagull Drive, Shemwood II, Mount Pleasant, Charleston County, South Carolina. TMS # 532-04-00-059

WORK: The work as proposed and shown on the attached drawings consists of replacing an existing dock. Specifically, the applicant seeks to remove a 4' x 37' walkway and 10' x 12' covered pierhead and replace it with a 4' x 35' walkway, with handrails, leading to a covered 6' x 10' fixed pierhead. Ebbside of the pierhead, a 3' wide ramp will access a 6' x 10' floating dock. Floodside of the pierhead, a 10' x 16', four-pile boatlift is proposed. The work as described is for the applicant's private, recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before April 19, 2008. For further information please contact the project manager for this activity, Steve Brooks at 843-953-0235.
